**IN THE UNITED STATES PATENT AND TRADEMARK OFFICE
BEFORE THE TRADEMARK TRIAL AND APPEAL BOARD**

Kosher Supervision Services, Inc.

Petitioner,

v.

Yoel Steinberg,

Registrant.

Cancellation No. 92061981

Motion For Leave to Exceed Page

Limit For Brief On Case

pursuant to TBMP 537 &

37 CFR § 2.128(b)

**REGISTRANT'S MOTION FOR LEAVE TO EXCEED PAGE LIMIT FOR BRIEF ON
CASE**

I, Yoel Steinberg, Registrant and owner of the mark with Registration No. 3830599, respectfully request that leave be granted to me to exceed the page limit of my answer and counterclaim to the Petition for Cancellation filed by KOSHER SUPERVISION SERVICES,

INC., on record as mailed by Petitioner on Aug 7, 2015, by an additional Thirty (30) pages, or at least by as many pages as the Board may find fit. The need for more pages is due in part to the petition basing its claim on two marks. An answer, defense, or counterclaim, to an allegation based on one mark, might not completely address the allegation based on the other mark. My answer, defense, and counterclaim therefore often needs more space than would typically be needed in response to a petition consisting of allegations based on one mark alone. Additionally, I have not yet found counsel to represent me in these proceedings, and I may have to answer pro se. Although I anticipate to fit my response within fewer pages than is requested, and hopefully also within the 50 page limit itself, the Board's tolerance for my inexperience in appearing before the Board is humbly requested so that I may make use of this leave in case I may need it.

I respectfully cite TBMP 537 & 37 CFR § 2.128(b), as authority that such motion may be granted by The Board.

Respectfully submitted,

Dated Sept 8, 2105
